A top of Mount of Olives where you will be treated to a special "Welcome to Jerusalem Ceremony" with a breathtaking view of the Old City, the Temple Mount, the Golden Gates, and the many churches, synagogues and mosques located within the walled city. Traveling around the Old City, pass by the picturesque Garden of Gethsemane – the home of the impressive Church of All Nations. Making your way to the Old City, your walking tour begins as you enter the Jaffa Gate, strolling past some of the sacred sites in religious history. Your route takes you past the colorful bazaar and the Jewish Quarter with its Cardo – Jerusalem's main thoroughfare during the Roman and Byzantine eras. Descending into the lower city, you'll view the Temple Mount and the golden-topped Dome of the Rock and the El-Aqsa Mosque. With its stunning blue and gold ceramic tiles, this amazing shrine built in the late 7th century is considered the third holiest site in Islam. Continue to the Western Wall, the holiest site in the Jewish world because it is believed to have been closest to where the Holy Ark once stood.

Walk along part of the Via Dolorosa believed by many to be the route Jesus followed as he carried his cross to Calvary. One of Jerusalem's incredible sites is next to visit, the Church of the Holy Sepulchre - the holiest Christian shrine is situated on the Hill of Golgotha (skull hill), where used to be an execution location outside the city walls.
